

Guide til GNBO-fora

1. Besøg klimaforum.org
2. Klik "Create new account"
3. Udfyld brugernavn, e-mailadresse og teksten på billedet og klik "Create new account"
4. Du vil nu modtage adgangskode på e-mail
5. Gå tilbage til forsiden klimaforum.org og log ind
6. Besøg klimaforum.org/forum/gnbo
7. Klik "Post new Forum topic" hvis du vil starte en ny diskussion
8. Forum skal være det rette under GNBO

The screenshot shows the 'User login' page. It has a 'Username:' field with 'Jeppe' entered, a 'Password:' field with dots, and a 'Log in' button. Below the fields are links for 'Create new account' and 'Request new password'. A red number '2' is placed to the left of the 'Create new account' link.

The screenshot shows the 'Create new account' page. It has a 'Username:' field with 'Jeppe' entered, an 'E-mail address:' field with 'jeppe@klimaforum09.org' entered, and a CAPTCHA section with the text 'have disputes' and a 'Create new account' button. A red number '3' is placed to the left of the 'Username:' field.

The screenshot shows the 'User login' page. It has a 'Username:' field with 'Jeppe' entered, a 'Password:' field with dots, and a 'Log in' button. Below the fields are links for 'Create new account' and 'Request new password'. A red number '5' is placed to the left of the 'Password:' field.

The screenshot shows the forum navigation menu. It has a 'GNBO' link highlighted in purple, and a 'General' link below it. A dropdown menu is open, showing a list of forum topics. A red number '6' is placed to the left of the 'GNBO' link, and a red number '8' is placed to the left of the 'General' link in the dropdown menu.
